20.10 Hunting From Roads Prohibited On WMAs

It is unlawful to shoot across, or to hunt within 100 feet from the center line of any city, county, state or federal maintained road open to public vehicular traffic on WMAs. It is unlawful to shoot across, or to hunt within 100 feet from the center line of any privately maintained road which is open to public vehicular traffic and falls under the control of the Commission through ownership, lease, cooperative agreement, conservation easement or memorandum of understanding on WMAs.
