19.14 Boat Dock Lease And Operator Requirements For Structures

A Commercial Facility Operator's License Agreement and permit is required by anyone who has a boat ramp, boat shed, boathouse, boat slide, pier, or other structure that is used solely, or in conjunction with other structures, to generate personal income for the adjacent landowner/structure owner (otherwise known as Operator) on Commission-owned property. Specifically, it is unlawful to own or operate a facility where boats are rented to the public or where boats are kept for private owners on a rental basis, or to provide and charge for boat launching or vehicle parking on waters or property owned by the Commission without first entering into a license agreement with and obtaining a permit from the Commission. Commission employees in performance of duties are allowed free parking and boat launching privileges.
