The regulations in this Code Book are hereby adopted by the Arkansas State Game and Fish Commission under authority of Amendment 35 to the Constitution of the State of Arkansas. All laws, rules, regulations, or orders in conflict with the regulations in this Code Book are hereby repealed by the Arkansas State Game and Fish Commission.
A. Trout Importation Permits may be issued by the Chief of Fisheries to applicants complying with the following requirements:

1. The applicant must be at least 18 years old and shall not have been convicted of (as defined in Code 01.00-C) for violating any federal, state or municipal law or regulation governing wildlife or fisheries, illegal appropriation or commercialization of wildlife or fisheries, or cruelty to animals within 5 years of the application date.

2. The applicant shall certify in writing that he/she is in compliance with all federal, state, and local laws or regulations and possesses all required permits or licenses.

3. The applicant shall submit a written application (available from the Commission) for each importation to be permitted. Each application submitted shall contain the applicant’s contact information; the proposed importation date(s); the originating facility’s contact information; the species, size, and number of trout and trout eggs to be imported; and any other information requested on the application form.

4. The applicant shall include with the application a disease-free certification for the AGFC-permitted fish farm or other facility from which the trout or trout eggs will originate. The certification must have been issued under the guidelines in Addendum Chapter 11.00 and meet all fish health requirements; and

5. If the trout or trout eggs will originate from a VHSV-positive state, the applicant must provide satisfactory proof of compliance with Code 35.11.

B. The requested permit shall be denied if:

1. The applicant fails to meet any of the issuance criteria set forth in this regulation.

2. The applicant fails to disclose material information required, or makes false statements as to any material fact in connection with the application, or supplies false information or makes a false statement on the application.

3. The Commission finds, through further inquiry or investigation (including the

inspected detailed below), that the
issuance of the permit may be
potentially harmful to the fishery
resources of the state.

4. The Commission’s Fisheries Pathologist
disapproves the disease-free
certification submitted by the
applicant; or

5. The trout species for which the permit
is requested is restricted or prohibited
under federal or state law or
Commission regulation.

C. Inspection:

1. Applicants and permittees shall allow
agents of the Commission to enter and
inspect the premises, including books,
records or permits required to be kept,
and any trout, trout eggs, or facilities
kept under authority of permit at
reasonable times upon request by an
agent of the Commission.

D. Permit Requirements:

1. Permittee must notify the Fisheries
Division in writing of the actual date of
each importation and provide a current
disease-free certification at least 21
calendar days prior to the importation
event.

2. The importation permit must
accompany the permitted trout or trout
eggs during importation.

3. Within 14 calendar days after each
importation event, the permittee must
submit a report regarding the event
that includes the permittee’s contact
information, the permit number, the
importation date, originating facility,
the species, size, and number of trout
and trout eggs imported.

E. Reporting and Record-keeping Requirements:

1. Legible records of all trout and trout
egg acquisitions and dispositions,
including origin, importation dates, and
the species, size, and number of trout
or trout eggs imported, shall be kept.

2. Records shall include evidence of legal
possession of all trout or trout eggs
imported under the permit, including
permits, licenses, bills of sale, bills of
lading, receipts, invoices or other
satisfactory evidence of ownership.
Records shall include date of
acquisition, place of origin, and the
name, address and telephone number
of the person from whom the trout or
trout eggs were acquired.
3. Records must be retained for five years.

F. Permit Renewal, Transfer, Suspension And Revocation:

1. Trout Importation Permits shall expire on December 31 each year. Permits may be reviewed and renewed following receipt and approval by the Chief of Fisheries of a permit renewal application (available from the Commission). Permit renewal applications must be submitted to the Chief of Fisheries within 60 days of permit expiration.

2. Trout Importation Permits are not transferable.

3. Persons in violation of the terms of this permit, Commission Codes, or convicted of violating associated regulations of the U.S. Fish and Wildlife Service, shall be notified in writing and shall have 20 days to respond with just cause as to why their permit should not be suspended or revoked.

4. If after 20 days just cause has not been given, the Commission may suspend or revoke any existing permit held by the violator and may refuse to issue future permits. Permit suspension, revocation or refusal shall be in addition to any criminal charges that may be filed.

5. Upon revocation, permit holder must remove by legal means all trout and trout eggs within the time designated in the revocation, not to exceed 60 days, and failure to do so shall result in the Commission taking action, per Commission policy, at the permit holder’s expense.
